

Sod Roller

Nothing lays sod more accurately or faster than the Thomas Sod Roller. The Thomas Sod Roller will quickly transform any site into a smooth green landscape.

The hydraulic powered arms on the sod roller ensure smooth performance while securely holding sod rolls up to 34 inches (864 mm) in diameter.

Mounted on the narrow profile of a Thomas Compact Tool Carrier allows you to lay sod even in the most Confined work area.

To smooth out the landscape a lawn roller drum roller which can be fitted on the Sod Roller is available as optional equipment.
